

George Kikano, M.D.

**Vice President for Health Affairs, Central Michigan University
Dean of the Central Michigan University College of Medicine**

George E. Kikano, MD, became dean of the Central Michigan University (CMU) College of Medicine in July 2015, and Vice President for Health Affairs in August 2018. He also serves as chairman of the board of CMU Medical Education Partners.

Dr. Kikano is passionately committed to teaching, community partnerships, access to care and the College's mission – to prepare diverse, culturally competent physicians focused on improving access to high-quality health care in Michigan with an emphasis on serving medically underserved people and regions. His unique vision and approach to community-based medical education have led to the advancement of CMU's innovative and integrated model.

As vice president for Health Affairs, Dr. Kikano is responsible for the unification of all CMU health-related programs, functions and clinical services. His role also includes aspects of regulatory compliance, reporting, quality, information security, and privacy.

Samuel Shaheen, M.D., F.A.C.S.
